Supervisor Bosworth's Local Action Summit Draws Community Leaders

'My Brother's Keeper' initiative will focus on opportunities for youth

North Hempstead, NY – North Hempstead Town Supervisor Judi Bosworth on Monday hosted a local action summit of community leaders to discuss the Town's acceptance of the "My Brother's Keeper" (MBK) Challenge, a Presidential initiative which focusses on efforts to eliminate opportunity gaps, barriers, and challenges facing youth in the community and to ensure that all young people reach their full potential. The Supervisor invited dozens of community leaders and stakeholders to identify effective strategies and to work together toward achieving several goals set by the President. The summit was attended by representatives from schools, libraries, universities, transportation carriers and youth advocacy groups. The next meeting will be in January 2015. For more information on how to get involved with the Town's 'My Brother's Keeper' Initiative, contact mbk@northhempsteadny.gov.
